The poster is decorated with various Easter-themed illustrations. At the top left, there is a stylized white rabbit head with orange ears and whiskers. Below it is a blue and white patterned Easter egg with a pair of brown footprints above it. On the right side, there is a vertical arrangement of flowers and eggs: a blue flower, a purple egg with white polka dots, a pink and white striped egg, and a blue flower. At the bottom left, there are more blue flowers and a blue egg with white patterns. In the center, there is a yellow chick with closed eyes sitting on a blue and white patterned egg. To the right of the chick is a broken eggshell. The background is a light blue gradient with decorative yellow and blue floral elements.
